

BART Agreement Number: 6M8142

Approval Date: 05/20/21

Work Plan No. B23-01-M87 Storage Spur Track Extension Environmental Support

Task 1. Environmental Scan

The locations will be reviewed to assess their environmental sensitivity for archeological, biological, and visual resources and their potential exposure to flood hazards and geotechnical hazards (fault rupture, severe ground shaking, landslides). The environmental scan will use available database and archival searches, including:

- The California Historical Resources Information System at the Northwest Information Center
- The California Natural Diversity Database

Prime: AECOM

Subconsultants: None

Total Work Plan Value: \$ 51,400
